MEMORANDUM FOR: Deputy Director of Personnel

FROM:

Liaison Division
Office of Legislative Liaison

SUBJECT: Introduced Legislation

1. Attached are two bills that were introduced in the Senate during the last week that the Congress was in session. You should note that each of these bills, S. 2120 and S. 2121, was introduced at the request of the Administration.

2. No action was taken on either of these bills, other than referral to the committee of jurisdiction. If these bills are to progress to enactment, the Committee on Banking, Housing, and Urban Affairs will have to hold hearings on the bills, mark them up, and report them for action by the Senate as a whole.

3. While we will follow and report on the legislative progress of these bills, as appropriate, you might want to have the Credit Union follow their progress through one or more of the national associations to which they no doubt belong.

4. Please advise if we can be of further assistance.
